# The summary below

- The total number of WG1 group members is 66
- The number of report submitted is 14
- The summary is incomplete because it is based on 14 reports out of 66
- What should we do in the future about that?

# Number of publications

38, not evenly distributed between groups

The highest, 11, from Denkov's group

# Number of people involved/ESR

48 (not all groups presented this data)/35 (all presented the required data)

# Patents

2 (Karapantsios only)

# New projects/submitted or planned

Funded submitted around 15

# Meetings activity

*Workshop co-organized*

*In France by David Brutin and David Fairhurst*

*Dominique Langevin. 1-week school on “Fluid foam physics” to be held 3-9 November 2013 in Orsay, France (involved project partners: Wiebke Drenckhan, Nikolai Denkov)*

# Future reports

- Simplify the form (I'll develop a new form)
- How can we get information from WG group members?
- Do we need a big meetings?
- How can we promote the exchange between groups?
