# Drop Technology Presentation

COST MP1106 Meeting  
March 2013  
Prague, Czech Republic

## Outline of presentation

- Purpose of Final Report on questionnaire/views of MP1106 partners
- Style of report(s)
- Proposals for WG4 activities
- Committee
- Final ideas

## Final Report (s)

### STYLE (?)

- (i) Full warts and all details
- (ii) Summary of main findings
- (iii) Summary with PowerPoint of main results
- (iv) Report to the Commission with points underlined by findings of questionnaire
- (v) Another approach decided by our Action

### APPROACH (?)

- (i) To impress the European Commission
- (ii) To inform MP1106 membership
- (iii) To obtain interest from industry/commercialisers
- (iv) Another approach decided by our Action/Chair

### YOUR SUGGESTIONS

- (i) Help with obtaining patent/trademarks 23 = 13%
- (ii) Workshops 42 = 23%
- (iii) Conference 21 (12%); Interactive training and certification 15 = 8%
- (iv) Confidential input from experienced commercialisers 23 = 13%
- (v) Commercial partnering 29 = 16%
- (vi) Help with funding for commercialisation 27 = 15%.
- (vii) Any good ideas here such perhaps as meeting on experiences in commercialisation?

Real question is how best to deliver these to the Action

## Twente questions

- Roadmapping –transferring plans for commercialisation into action
- Searching for applications
- Orientation through vision
- Creating ideas from materials/applications
- Science-industry cooperation
- Understanding needs and details of the EU's competitive response
- April 23-25, 2013 TS 'A way to smart Europe', University of Twente, Enschede, NL

## WG4 Committee

WG4 Co-Chairs: Dr McMillan and Professor Liggieri

IP Chair: Professor Guido

Industry Chair: Dr Simeon Stoyanov – a volunteer

Committee: Volunteers and nominees

Expert Advisors: Dr Meik Ranft, (BASF); Avi Marmur, Israel Institute of  
Technology - perhaps others?

Consultants: European Patent Office ?

Can you suggest someone?

Better still volunteer yourself

## Final suggestions

Sheet circulating with place to put name and to indicate how volunteers would help WG4

Send ideas to [mac@droptechnology.com](mailto:mac@droptechnology.com)

Decisions on report(s) and activities will be sent to all partners for ratification
